

# GE BRIGHTSPEED 4 SLICE

SKU: MP14953

Categories: [4 Slice Scanners](#)

## Description

With GoldSeal BrightSpeed Series CT systems, you can achieve both powerful performance and convenience in an ultra-compact design. Built with innovative technology, the BrightSpeed Series use our Highlight Matrix II Detector and the Volara DAS with enhanced workflow to provide more flexibility for you, and increase patient comfort. GoldSeal delivers on the promise of this technology with refurbishing from factory-trained technicians using OEM parts. BrightSpeed 4-slice CT scanners can help boost your diagnostic capabilities.
