

# PHILIPS BRILLIANCE 10 SLICE

SKU: MP14964

Categories: [10 Slice Scanners](#)

## Description

The Philips Brilliance 10 Slice CT Scanner, like the others in its series, is widely used due to its comprehensive range of clinical applications, the DoseWise system offering high resolution and low dose capability, easy-to-learn interface, aesthetic design, quick image acquisition, and a welcoming affordability. The Philips Brilliance 10 Slice CT Scanner also features .4 second gantry rotation time and submillimeter isotropic imaging capabilities offering high image quality.
