

PHILIPS BRILLIANCE 40 SLICE

SKU: MP14983

Categories: [40 Slice Scanners](#)

Description

The Philips Brilliance 40 CT scanner is a whole body 40-slice machine capable of completing a full gantry rotation in 0.4 seconds, and offers super-fast reconstruction speeds. The Philips Brilliance 40 CT scanner has been designed to allow you perform fast scans to reduce your patient's breath hold, requiring less contrast media while ensuring minimal dose exposure for your patients, making the refurbished Philips Brilliance 40 CT machine one of the most efficient CT scanners on the market.
