

Renewa Simcan 98% Cotton Diabetic Socks - Quite Possibly The Most Comfortable Sock You Will Ever Wear (Black, Small)

SKU: MP25796

Categories: [Socks](#)

Description

The soft all natural combed cotton embraces your foot in a nonbinding ergonomically perfect fit. This super stretchy sock is designed to comfortably fit almost any size foot and leg without restricting the wearer's natural circulation. The comfort element is further enhanced by the entirely flat toe seam and moisture wicking fibers. Wear a pair and you'll agree that these are quite possibly the most comfortable pair of socks you've ever worn. Features favourable for: Diabetes Poor vascular circulation Edema Arthritis Wide ankles
