

VISSCO ABDOMINAL-FULL ELASTIC BELT MEDIUM

SKU: MP26109

Categories: [Abdominal belt](#)

Description

When to use: Post and Pre Pregnancy Support. Abdominal Surgery and post-operative support. Aids in toning the abdomen muscles (Tummy Trimmer) Effects: Lifts and carries the extended abdomen and provides proper support without squeezing and cramping. Ideally suited for horizontal incisions of the lower, middle and upper abdomen. Forces abdomen muscles to contract helping them to get toned and defined over time.
