

Model Ci Ultra Portable

SKU: MP27383

Categories: [Electric Wheelchairs](#)

Description

Advantages: Drive across town and into your local cafe with the greatest confidence knowing Model Ci will easily power over the terrain ahead and comfortably fit into any environment.

- Maneuver through tighter spaces with a significantly smaller footprint than traditional power mobility devices.
- Navigate close quarters with a 45% smaller turning radius than tiller controlled mobility devices.
- Travel unhindered over rough terrain with a 2.25" ground clearance.
- Effortlessly climb over obstacles up to 2" in height with its two powerful motors and large front omni-wheels.

Live unpredictably and go where your heart desires with Model Ci's outdoor versatility, speed, long range and ability to quickly disassemble to transport in any car.

Disassembles in less than 10 seconds!

Just three simple steps and three lightweight components.

- Front Drive Base (33 LB)
- Rear Drive Base (42 LB*)
- Seat Assembly (31 LB**)
