

3M Tie-On Surgical Mask 1818

SKU: MP32722

Categories: [Face Masks](#)

Description

Flat, with bi-directional pleats and horizontal ties for largely increased facial comfort and fit. Soft breathable inner lining. Our most popular flat surgical mask, preferred for its comfort and breathability. A tie on surgical mask with horizontal ties, this mask is ideal for surgical and general purpose use. Available with or without an attached face shield. Our most popular flat surgical mask, preferred for its comfort and breathability.
