

3M™ Micropore™ Surgical Tape with dispenser 1535-3, 7.6cm x 9.14 m

SKU: MP32733

Categories: [Adhesive Tapes](#)

Description

Hypo-allergenic and latex-free material for safe application with a gentle to skin non-woven rayon backing. High-quality adhesive for gentle bonding and clean removal with minimal residue. Highly breathable to allow ventilation and maintain skin integrity. Holds well on damp skin for secure placement.
