

EasyCast Pneumatic Walker (SMALL, Height: 17?)

SKU: MP33323

Categories: [Walkers](#)

Description

Product description: Light weight and durable shell- provides maximum protection and support. Velcro Straps- for easy application and removal. Inbuilt Inflation and Deflation pump- allows custom inflation. Generous Foot Base- ample room for dressing without sacrificing comfort. Adjustable Toe Bumper- for protection. Anti-skid Rocker Bottom- helps in pressure offloading and promotes a natural gait. Collateral Air-cells- provides total contact fit and offers pneumatic compression which will reduce oedema and prevent callus formation.
