

3M™ Littmann® Master Cardiology™ Stethoscope, 2164, navy blue tube, 27 in (69 cm)

SKU: MP33370

Categories: [Stethoscopes](#)

Description

Product description: Anatomically designed headset. Two-in-one tube design helps eliminates noise from tubes rubbing together. Pressure-based sound frequency adjustment with tunable diaphragm. Special-procedures adaptor for neonatal or pediatric auscultation included.
