

3M™ Littmann® Classic III™ Monitoring Stethoscope, 5629, orange tube, 27 in (69 cm)

SKU: MP33375

Categories: [Stethoscopes](#)

Description

Product description: Monitor and assess a wide range of patients. Single-piece tunable diaphragm is easy to attach, and easier to clean because its surface is smooth without crevices. Pediatric side converts to a traditional open bell by replacing the single-piece diaphragm with a non-chill rim. Next-generation tubing provides longer life due to improved resistance to skin oils and alcohol.
