

CS Pro 16" Cuff Nitrile Exam gloves

SKU: MP35976

Categories: [Non Sterile](#)

Description

CS Pro nitrile exam gloves are our thickest, most durable nitrile gloves and they offer excellent resistance to holes, tears and abrasions Fully textured grip enhances tactile sensitivity and performs well in both wet and dry situations; long 16" cuffs provide an extra barrier between the cuff and the sleeve Ideal for use by clinicians, techs and staff who clean, decontaminate, sterilize and disinfect Meets both ASTM D6978-05 and USP 800 Personal Protection Equipment requirement for use of chemotherapy gloves when handling hazardous drugs
