Short Description:

Mobile Pendant MOB180 is a one stop solution.

## Description

Mobile Pendant MOB180 is a one stop solution. OVERVIEW Provides a degree of versatility that can enhance workplace efficiency to support clinical processes in ICU's and ward areas in a hospital. The Pendant is specially designed for use in busy hospital settings, providing monitor, ventilators, defibrillator, infusions & syringe pumps, all medical gases & electrical services, and thus addressing the needs of the patient requiring ICU attention.
