

i JIVA BIP

SKU: MP41087

Categories: [Automatic Defibrillator](#)

Short Description:

iJiva BIP is a BTE – Biphasic truncated exponential discharge type waveform Defibrillator.

Description

External biphasic defibrillator with monitor BTE (biphasic truncated exponential) discharge type impedance compensated energy delivery. OVERVIEW iJiva BIP is a BTE – Biphasic truncated exponential discharge type waveform Defibrillator.
